

**ANOC MEDICAL COMMISSION REPORT TO THE
2016 ANOC GENERAL ASSEMBLY, DOHA, QATAR
16th November 2016**

MEMBERS: Dr Robin Mitchell (Chairman)
Prof Cyrille Dah (ANOCA) Prof Eduardo de Rose (PASO)
Prof M Jegathesan (OCA) Prof Fabio Pigozzi
Dr Chris Milne (ONOC) Dr Yan Hua (PRC)
Mr Andrey Kryukov (ANOC Rep to the WADA Foundation Board)

This report summarises the activities of the Commission since ANOC's last General Assembly in Washington DC in 2015.

As the majority of our members are Chairmen of their respective Continental Medical Commissions, the main focus of their activities is focusing on supporting the regional and continental Games through sports medicine education programmes and sharing their experiences with the various Organising Committees on providing medical services for major events.

In addition, three of our members represent ANOC on the WADA Executive Board (Prof de Rose) and the WADA Foundation Board (Andrey Kryukov & Prof Pigozzi).

During our meeting:

- * Reports were tabled by continental representatives highlighting the main activities since the last ANOC General Assembly.
- Reports tabled on WADA activities and future priorities
- Report on the Rio 2016 Doping Control Programme: this highlighted the need for DCOs and chaperones to be better treated at major events
- Report on activities of the IOC Medical Commission
 - Report on the Medical support for the Rio Olympic Games
 - Online education tools – Web based courses
 - Outline of upcoming IOC Conferences
 - List of IOC Concensus meetings

ITEMS TO BE FOLLOWED UP

- Role of the ANOC Medical Commission in the medical and doping control programmes at the 2019 ANOC Beach Games at San Diego, USA
- Need to further discuss the role of the ANOC Medical Commission vis a vis the IOC MC and the Games Working Groups.

Summary of Sports Medicine initiatives and courses held.

Continent	Initiatives	NOCs	Courses	NOCs	TOTAL
